

It

God makes it happen.

It is from God.

It is by God.

It is for God's glory.

We can't create it.

We can't reproduce it.

We can't manufacture it.

It is not a model.

It is not a system.

It is not the result of a program.

You can't purchase or manufacture it.

It can't be copied.

Not everyone will get it.

It can't be learned in the classroom.

Yet even though it can't be taught, it can be caught.
