Today's Speaker:
If Mama Ain't Happy with Amy Dymertko

As believers in Christ, we have a responsibility to shine a positive, encouraging light for those around us. But honestly, who doesn't get the complaining bug now and then? We don't often realize the magnitude of the impact a negative attitude has on others. So what about you? Is your glass usually half empty or half full? And what's the best way to cultivate a positive lifestyle? In this talk, Amy highlights two kinds of people - VDP's (Very Draining People) and VIP's (Very Inspiring People) - and suggests ways that each of us can take on an attitude that others admire. We are thrilled you are here!

Today's Brunch: Thank You Red Table

BBM Missions

The mission project this year is very exciting because each BBM table will be "adopting" a classroom at Troost Elementary School. Many of the kids at Troost struggle daily with not having enough food and living in difficult family situations. To support and connect with the kids, every BBM table will host two small classroom parties and each BBM member will have a pen-pal relationship with several kids. Also, teachers will have an opportunity to apply for a small grant to help pay for classroom supplies. Our hope is that the kids and teachers at Troost feel supported and appreciated. We also hope that BBM members feel connected to the kids and know they are helping in a meaningful way. Perhaps this small effort can be a bridge to a larger and deeper commitment to the school and surrounding community.

A Look Ahead ~ Our Next Meeting

God Whispers with Robin McCollough
Brunch: Orange Table

The vast majority of Americans pray, but how many recognize when God has answered? In the bustle of daily life, it's easy to overlook the quiet nudges, the subtle answers and the little ways in which the Creator responds. From the book entitled "God Whispers" by Margaret Feinberg (keynote speaker at this year's women's conference), Robin McCollough will teach us ways in which God speaks to us. Instead of shouting, often times he whispers the answers to our prayers. Robin moved to Kansas City (from Tulsa) three years ago and began attending COR. She first joined Thursday Live in order to meet people and find a
