

# FOSTERING SUCCESS

Care packages to encourage foster youth in college

## BOX COULD CONTAIN ITEMS SUCH AS:

socks, candy, snacks, lip balm, school supplies, flip flops, laundry soap, blanket, water bottle, dorm room decor, ear buds and other small electronics, toiletries and more.

Foster teens attending college often report feeling lonely and forgotten. Most do not receive much in the way of encouragement or care packages during their time at school. Many will not make it through four years of college due to financial and personal problems. In order to encourage them and show them that we are rooting for their success, we are going to send two college care packages with goodies and a note of encouragement.

**COST:** \$60 for two care packages, one fall semester and one spring semester

**SPONSOR INFORMATION:** [buildingbettermoms.org](http://buildingbettermoms.org)

**DEADLINE TO SPONSOR A STUDENT:** Oct. 18, 2017

*All Fostering Success sponsors will be invited to participate in the packing parties before each mailing.*
